## **Railroad crossing repairs on US-77 Highway between Arkansas City and Winfield**

Starting around Monday, July 27, the BNSF Railroad crossing on US-77 Highway, located between Arkansas City and Winfield adjacent to Strother Field Airport/Industrial Park, will be under construction for repairs. Traffic through this work zone will be controlled by flagmen and pilot car, so drivers can expect delays of up to 15 minutes. There will be a 12 foot width restriction in the work zone, so vehicles with widths wider than 12 feet will need to use an alternate route. This crossing repair work is scheduled to be completed in two (2) days, depending on delays for weather conditions.

Highway construction project locations and road condition information can be viewed at the <http://511.ksdot.org> website, or can also be accessed by telephone by dialing 511. KDOT urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with questions about this road work or other KDOT projects can call South Central Kansas Public Affairs Manager, Martin Miller, at 620-663-3361 or 1-877-550-5368 (Toll free).
