Update: Railroad Crossing Closing for Repairs in Sumner County

BNSF Railway Co will continue a permitted railroad crossing repair project between the K-44/K-49 route intersection and US-160/K-49 intersection in Sumner County. The purpose of the railroad crossing repair project is to conduct routine maintenance and necessary upgrades. It is scheduled to be completed around April 1, depending on delays due to adverse weather conditions.

Local traffic will need to use alternate routes. With both lanes being affected and closed by the project, through traffic will be detoured on state routes US-160 & US-81 highways. Potential time delays over an hour can be expected.

For more information about T-WORKS projects and funding visit the website, www.ksdot.org/tworks. Highway construction project locations and road condition information can be viewed at the <http://511.ksdot.org> website, or can also be accessed by telephone by dialing 511.

KDOT urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through a highway work zone. Persons with

questions about this road work or other KDOT projects can call South Central Kansas Public Affairs Manager, Zach Oswald, at 620-663-3361 or 1-877-550-5368 (Toll free).
