KDOT to place asphalt at Cherryvale's Main Street entrance

Weather permitting, on Thursday, June 30, the Kansas Department of Transportation (KDOT) will place asphalt on Main Street just off U.S. 169 at Cherryvale. The asphalt seal will help prevent water infiltration and provide a better drive.

The Main Street entrance from U.S. 169 will be closed to traffic between the hours of 8:00 a.m. and 3:00 p.m. Thursday. Use alternate routes to and from Cherryvale during the closure. U.S. 169 will remain open to north- and southbound traffic. Persons with questions may contact KDOT Superintendent Marcus Leck at the Independence office, (620) 331-3760.
