## **U.S.169 shoulder repairs in Montgomery County next week**

The week of March 2-6 maintenance workers with the Kansas Department of Transportation (KDOT) will repair the shoulders of U.S. 169 in Montgomery County, weather permitting. The work will start just north of the four-lane section northwest of Coffeyville and continue north to the south junction of U.S. 169/U.S. 160.

Workers will blade the shoulders, add aggregate and then compact the aggregate to establish the necessary grade for the safety of the traveling public. A pilot car will guide one-lane traffic through the work zone between 9:00 a.m. and 3:00 p.m., with delays of 15 minutes or less expected.

Independence KDOT Superintendent Marcus Leck reminds motorists to obey the signs and flaggers, slow down and “Give ‘Em a Brake!” Persons with questions concerning the project may contact Leck at (620) 331-3760 or Priscilla Petersen at 1-877-550-5368.
