U.S. 54 westbound lane closure planned at LaHarpe

Monday through Wednesday, July 6-8, maintenance crews with the Kansas Department of Transportation (KDOT) lola office plan to repair and patch side roads off U.S. 54 at LaHarpe.

The outer westbound lane on U.S. 54 will be closed to traffic, starting at the end of the two-lane roadway and continuing west for approximately one mile to 2400 Street. Westbound traffic will run on the inner lane through this work zone, with no delays expected. KDOT will maintain access to U.S. 54 from side streets.

Derrick Shannon, KDOT lola superintendent, reminds the traveling public to pay attention to the road construction signs and cones, reduce speed and “Give ‘Em a Brake!” Those with questions may contact Shannon at (620) 365-2161 or Southeast Kansas Public Affairs Manager Priscilla Petersen at 1-877-550-5368.
