## **KDOT to begin asphalt patching at Caney next week**

Starting Tuesday, July 26 and continuing for a week to 10 days, weather permitting, the Kansas Department of Transportation (KDOT) will place asphalt patches on the four-lane section of U.S. 75 in the city of Caney.

The road work is not expected to create significant delays for the traveling public. Lane reductions will be in effect throughout the project. A flagging operation may be used for larger patches. Occasionally traffic might not be able to access side streets.

Persons with questions should contact Independence KDOT Superintendent Marcus Leck at (620) 331-3760. Leck reminds motorists to eliminate distractions, slow down and "Give 'Em a Brake!" at the work zones.
