Road reconstruction project in Jetmore ready to start

The Kansas Department of Transportation expects a reconstruction project on U.S. 283 (Main Street) in Jetmore to begin the week of April 20. The project runs from Highway Street to Best Street and will replace the brick pavement with concrete pavement.

Traffic will be carried through construction. The Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

J-A-G Construction Company of Dodge City is the primary contractor on this project with a contract cost of \$939,327.92. KDOT expects work on this project to be completed by August, depending on weather.

If you have questions on this project, you can call Dale Luedke, Area Engineer, at 620-227-6122 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
