K-4 follow-up work in Ness County resumes

The Kansas Department of Transportation expects work to resume on K-4 in northern Ness County by Monday, July 6, weather permitting. The work consists of reapplying a lightweight seal and patching the roadway where needed. This work will run from the K-4/U.S. 283 junction, west approximately 10 miles.

During construction, traffic will be limited to one lane through the work zone, guided by a pilot car. Drivers can expect delays of 15 minutes or less. The Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

KDOT expects work on this section to take about a week to finish, depending on the weather.

If you have questions on this project, you can call Joyce Muhlenbruch, Construction Engineer, at 620-227-6122 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
