Road work underway north of Tribune

Work has started on a pavement sealing project on K-27, from Tribune to the Greeley/Wallace County line.

During construction, traffic will be limited to one lane through the work zone, guided by a pilot car. Drivers can expect delays of 15 minutes or less. The Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

Heft & Sons, LLC, of Greensburg is the contractor for this \$512,800 preservation project. KDOT expects work on this project to be completed by Friday, July 17, depending on weather.

If you have questions on this project, you can call Larry Meyer, Construction Manager, at 620-384-7821 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
