I-135 Pavement marking Replacement in Saline County

This past Monday, April 1, 2016, a construction project to remove and replace pavement markings began on I-135 in Saline County. The project begins at mile marker 77 then continues north to mile marker 95, a distance of 18 miles. The work zone within this area will move from northbound to southbound and from driving lane to passing lane as needed. Lane closures will be established as required. Drivers need to be prepared to slow and follow the work zone signing thru construction.

Plans call for the work zone to be in effect during daylight hours only with construction ending on or about June 10, 2016.
