I-70 bridge Deck Repairs in Dickinson County

The I-70 Eastbound Bridge located at the Chapman Interchange (286) in Dickinson County is scheduled for repairs beginning Tuesday, July 28, 2015. The repairs involve removing and replacing damaged areas of concrete in the driving lane of the bridge deck.

Traffic will pass through the work zone in the passing lane at a reduced rate of speed of 65 mph.

Plans call for the project to be completed and traffic to be returned to normal by Aug. 5th weather permitting.
