## Pipe Replaced on K-148 in Washington County UPDATE

Plans call for replacing a pipe under K-148 in Washington County beginning Aug. 3, 2015. The pipe is located  $\frac{3}{4}$  mile west of the K-15/K-148 junction. KDOT maintenance forces will replace  $\frac{1}{2}$  of the pipe at a time by closing only one lane enabling traffic to continue to cross the bridge using the other lane with a 10' width restriction. Traffic will be controlled by flagmen. Drivers need to slow and watch for flaggers instructions as they approach the project. The work zone will be in effect during daylight hours only. Plans call for this project to be completed on or about Thursday, Aug 6<sup>th</sup> weather permitting.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at [www.ksdot.org/tworks](http://www.ksdot.org/tworks).
