## Survey Scheduled for K-15 in Washington County

Surveyors will soon be conducting work on K-15 in preparation of the replacement of a bridge over Ash Creek 2 miles south of the Washington city limit. The survey will extend  $\frac{3}{4}$  mile north and south of the bridge scheduled for replacement. The field survey is scheduled to begin July 27, 2015 and will be completed by August 21<sup>st</sup> weather permitting

A member of the survey crew will first contact property owners and/or tenants for permission prior to entering private property. Survey activities will include the use of survey instruments on the ground to determine locations of existing features within the survey corridor.

Kara LaRiviere, P.S., Field Survey Project Manager, will be in charge of this survey for the KDOT.

This project is funded through T-WORKS. For more information concerning the T-works program and specific projects visit the T-works web site at [www.ksdot.org/tworks](http://www.ksdot.org/tworks).
