US-77 Construction UPDATE

US-77 construction will be at a point where we can reopen McFarland Rd. on the west side of US-77 and in turn Close Ash Street on the west of US-77. These changes should take place on Friday, October 7th weather permitting.

US-77 traffic wanting to use west Ash Street will be required to follow the signed detour going west on McFarland Rd to Spring Valley Rd. then back south to Ash St.

This should be the last phase of the project that requires traffic to be detoured. All remaining work should be constructed using flaggers and / or a pilot car.
