Maintenance will disrupt KDOT website services Saturday

Maintenance will cause a disruption in services offered by the Kansas Department of Transportation between 7 a.m. and 10 a.m. on Saturday, Feb. 14.

The Office of Information Technology Services will be performing equipment upgrades that will impact internet services to the website for T-WORKS.

This will only impact services for the website <http://kdotapp.ksdot.org/TWorks/>. It is expected that the T-WORKS website services will be out Saturday morning and back to full functioning capability Saturday afternoon.
