This concept illustration depicts the conceptual plan view for possible future improvements to US-83. The exact location and right-of-way needs for US-83 cannot be determined from this illustration and could vary from those shown. KDOT makes no warranties, guarantees, or representations for accuracy of this information and assumes no liability for errors or omissions. Access roads may or may not be located on public right-of-way and may vary in location and number from those shown. This decision will not be made until that time when specific projects are announced, funded, and the right-of-way process begins.
