Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the State to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when signing the proposal will make the bid nonresponsive and not eligible for award consideration.
