Lane reductions planned on U.S. 73 starting July 13

U.S. 73 in Wyandotte County will be reduced to one lane in each direction from Monday, July 13, to Saturday, July 18, weather permitting, according to the Kansas Department of Transportation.

The lane reductions are necessary for paving, traffic sign loop installation, shoulder work, grinding bumps and striping.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.
