

KANSAS SEAPLANE OPERATIONS for U.S. Army Corps of Engineers Lakes*

* For seaplane use at locations in Kansas other than the depicted Corps of Engineers lakes, consult the property owner for permission.

KANSAS CITY DISTRICT

The U.S. Army Corps of Engineers' Kansas City (MO) District does NOT allow seaplanes on its lakes. For inquiries, call the district office at (816) 389-2000. Each Corps lake in the Kansas City District is featured on the district's website: <http://www.nwk.usace.army.mil> for more information on approved uses. If you visit a district lake for traditional boating, stay safe with the boating education program of the Kansas Department of Wildlife, Parks and Tourism. Visit www.kdowpt.state.ks.us.

Seaplane Operations Prohibited in the Kansas City District

- | | | |
|-------------------|-----------------|----------------------|
| A. Clinton Lake | D. Melvern Lake | G. Pomona Lake |
| B. Hillsdale Lake | E. Milford Lake | H. Tuttle Creek Lake |
| C. Kanopolis Lake | F. Perry Lake | I. Wilson Lake |

TULSA DISTRICT

Kansas lakes that are open for recreational seaplane use are located in the Tulsa District of the Army Corps of Engineers. To consider commercial seaplane base operations, contact the district office at (918) 669-7366. And remember, a seaplane is considered a boat when it's on the water. Boating safety information is available from a variety of sources. Find more information on the district's website at <http://swt.usacc.army.mil/Missions/WaterSafety.aspx>, and from the boating education program of the Kansas Department of Wildlife, Parks and Tourism: www.kdowpt.state.ks.us.
