I-435 lane, ramp closures to affect traffic in JOCO tonight

Lane and ramp closures on I-435 as well as on K-10 in Johnson County are scheduled to take place tonight, July 14, for ongoing reconstruction work underway in the area, according to the Kansas Department of Transportation.

From 7 p.m. tonight to 6 a.m. Wednesday, the following closures will take place:

- **Eastbound K-10 to northbound I-435 will be closed.** Traffic will detour on eastbound K-10 and southbound I-35, exit at 119th Street, go north on I-35 and take westbound/northbound I-435.
- **Northbound I-435 ramp from westbound I-435/westbound K-10 spur from I-35 will be closed.** Traffic will detour on southbound I-35, exit at 119th Street and take northbound I-35 to westbound/northbound I-435.
- **Southbound I-435** – two right lanes closed from 79th Street to K-10
- **Northbound I-435** – two right lanes closed from K-10 to Midland Drive. The northbound on and off ramps at 95th Street and 87th Street will be intermittently closed, but not at the same time.

These detours and lane reductions could take several minutes. Motorists are encouraged to add extra time to their travel schedules or use alternate routes.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.
