**Lane closure updates in Johnson County for this weekend**

According to the Kansas Department of Transportation, lane closures on several projects will occur, Saturday, June 13 and Sunday, June 14, weather permitting. Traffic on all these projects may be diverted using mobile lane closures, signage and traffic cones.

For mill and overlay, closures include:

- Right lane closed on southbound K-7, from the from Johnson Drive for two miles, June 14, from 7 p.m. to 6 a.m.

For pavement patching, closures include:

- Left two lanes closed on northbound I-435 from K-10 to 87th Street, June 13 to June 14, from 7 p.m. to 6 a.m.

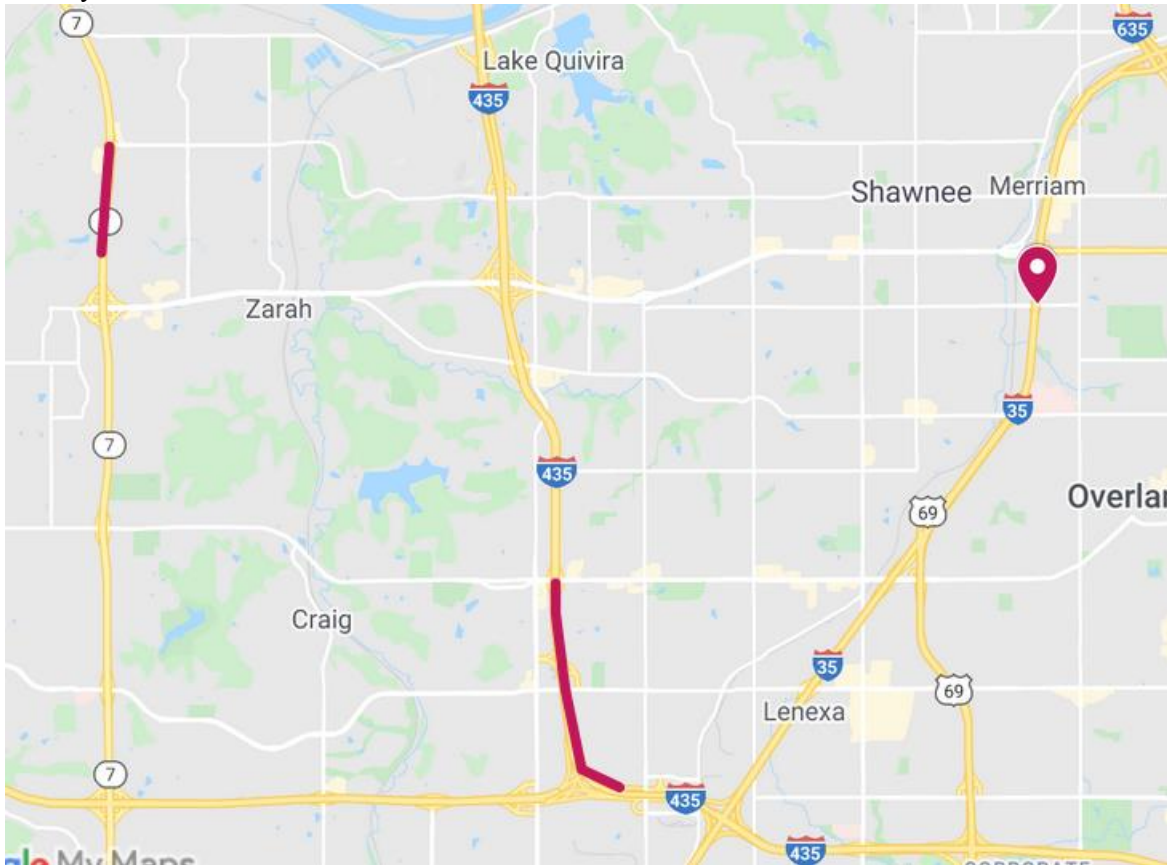

For bridge girder painting, closures include:

- The two right lanes closed on southbound I-35 at 67<sup>th</sup> Street and the on-ramp from 67<sup>th</sup> Street to southbound I-35, June 13 from 6 p.m. to 10 a.m. and, June 14 from 6 p.m. to 5 a.m.

An air-tight tent is constructed under the section of the bridge where the structural steel girders are located. The old paint is then removed, using a blasting technique. The tent will be installed and uninstalled nightly.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction

projects across Kansas go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1. Drive safely and always wear your seat belt.
