Lane closures on U.S. 69 in Johnson County rescheduled to May 26

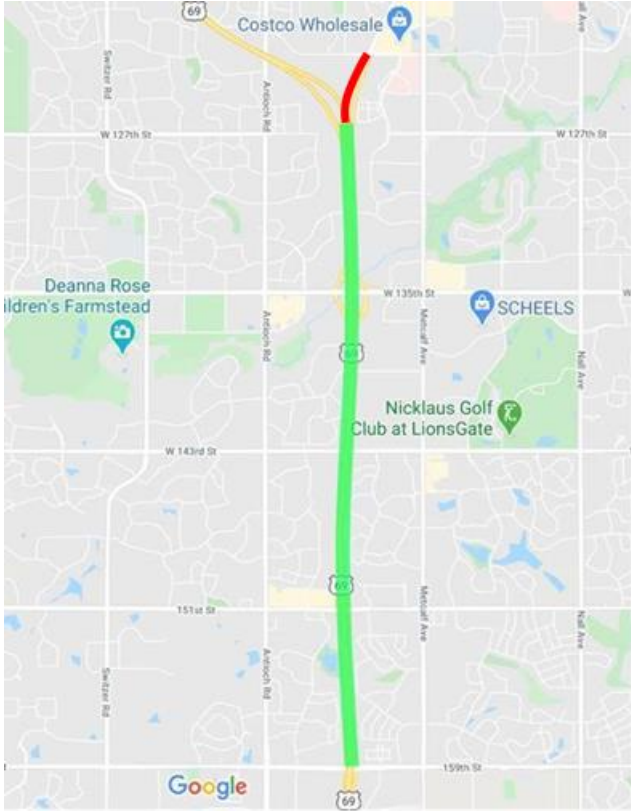

Northbound and southbound U.S. 69 will have intermittent left lane closures for shoulder treatment, from 159th Street to Blue Valley Parkway, according to the Kansas Department of Transportation. Southbound Blue Valley Parkway access to U.S. 69 will be closed at 123rd Street during the same time period.

Due to equipment failure, work has been rescheduled to begin Tuesday, May 26, and is expected to be completed, Friday, May 29, weather permitting.

Shoulder treatment consists of applying a sealant to the road shoulders. Work will occur from 9 a.m. to 3 p.m.

Traffic will be controlled by traffic cones and digital message boards.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.
