Lane and ramp closures in Johnson County tonight

Lane and ramp closures are scheduled in Johnson County tonight, Wednesday, July 29, weather permitting. Traffic on all these projects will be diverted using mobile lane closures, signage and traffic cones.

For pavement patching, closures include:

- Two right lanes, southbound I-435, from 79th Street to K-10, the on ramp at 95th Street, on and off ramp from 87th Street, and the exit ramp to westbound K-10, from Wednesday, 7 p.m. to Thursday, 6 a.m. A message board will instruct westbound K-10 traffic to use the Lackman Road exit to turn around. The 87th Street on ramp will be accessible to emergency management services via the ramp shoulder.

For the addition of new shoulder grading material, closures include:

- Two left lanes, northbound I-435, from K-10 to Midland Drive, Wednesday, 7 p.m. to Thursday, 6 a.m.

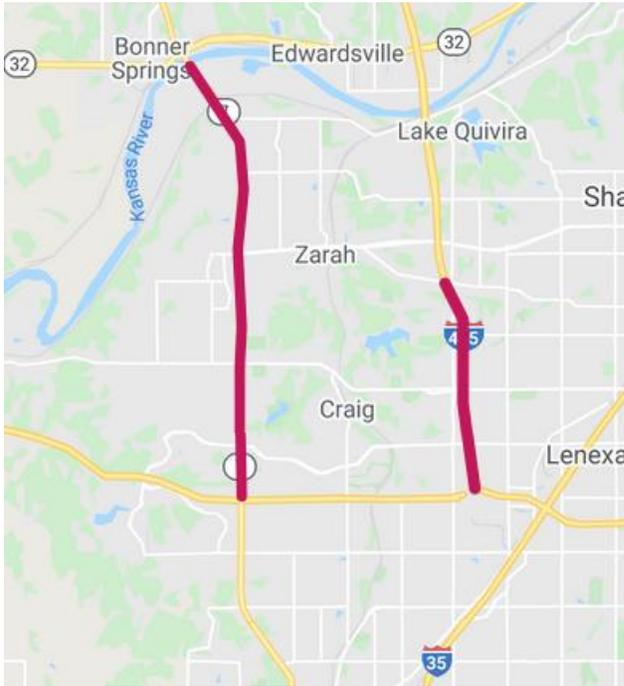

For asphalt milling and overlay, closures include:

- Northbound and southbound K-7, intermittent lane closures, from K-10 to the Kansas River, Wednesday, 7 p.m. to Thursday, 6 a.m.

These detours and lane reductions could take several minutes. Motorists are encouraged to add extra time to their travel schedules or use alternate routes.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction

projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.
