U.S. 83 mill and overlay project begins in Scott County

Crews are expected to begin a mill and overlay project on U.S. 83 in Scott County on Monday, July 9. The project will begin where the concrete pavement ends north of Scott City and continue north 14.9 miles to the Scott/Logan County Line.

U.S. 83 will be reduced to one lane with traffic controlled by flaggers and a pilot car. Drivers should expect a delay of 15 minutes or less. KDOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

APAC Shears of Hutchinson is the contractor on this \$1.6 million project which is expected to be completed in August, weather permitting.

For more information on this project, contact Craig Schlott, Construction Manager, at (620) 765-7096 or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1.
