Seal project to begin on U.S. 160 in Haskell, Grant and Stanton counties

Crews are expected to begin a crack seal project on U.S. 160 in Haskell, Grant and Stanton counties on Wednesday, Oct. 10. Work will begin at U.S. 160/U.S. 83 junction and go west on U.S. 160 in Haskell, Grant and Stanton counties to the K-27 junction in Stanton County.

Traffic will be reduced to one lane controlled by flaggers and a pilot car. KDOT urges drivers to pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

Midwest Coatings Company of Mondak, Iowa is the contractor on this \$183,000 project which is expected to be completed by December, weather permitting.

For more information on this project, contact Craig Schlott, Area Construction Engineer, at (620) 272-7285 or Lisa Knoll, KDOT District 6 Public Affairs Manager, at (620) 765-7080.

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1.
